Local Ordinances You Should Know About (STRICTLY ENFORCED):

Please be aware that open alcohol containers (beer cans, bottles, etc.) are not allowed in the town of Telluride or Mountain Village. You are not allowed to leave the festival with a glass of beer or wine.

Please be aware that sleeping in your vehicle on the streets of Telluride is illegal. Camping is only allowed in the campground and Coonskin RV lot.

Parking:

We do not have a specific parking lot for the festival. You are free to park wherever you can find a legal parking spot in Telluride. Please be aware that main street and its adjacent side streets are paid parking (meters) – the paid parking is enforced from 8:00 am to 6:00 pm MONDAY THRU SATURDAY. Sundays are excluded from parking enforcement. If you decide to park in the metered parking areas, you can purchase a receipt for up to three hours of parking at a rate of fifty cents per hour. During the festival weekend, permit parking (O, G, and W Residential Zone parking) does not apply. You may leave your vehicle parked in these areas for the duration of the festival.

A limited amount of free all-day parking is also available at the Carhenge parking lot on West Pacific Street. This lot is serviced by the free Galloping Goose bus system.

Once all parking spots in town are full, we direct you to Mountain Village to park (this usually happens later in the day on Saturday, the busiest day of the festival) – if you park in Mountain Village, you will ride the free gondola to town.

Handicap Parking/Facilities:

A limited amount of handicap parking is available in the Telluride Town Park parking lot. The festival is wheelchair accessible and we provide a space in front of the sound booth for those in wheelchairs. Handicap port-a-potties are provided on the festival grounds.

F.A.Q.

Is the festival held every year?

The Telluride Blues & Brews Festival is held every September, two weeks after Labor Day weekend.

When do tickets go on sale?

March 1. If March 1 falls on a weekend, then tickets go on sale the first Monday of March.

When do you announce the line-up?

We announce the line-up when it's complete. This usually happens in late spring/early summer.

When is the Grand Tasting with all those microbrews?

The Grand Tasting with 50 microbreweries takes place on Saturday from NOON – 3PM. The tasting takes place on the festival grounds so you can still enjoy the live music. All 3 Day passes and Saturday Single Day passes include the Grand Tasting – there is no additional charge.

Can I bring my pet to the festival?

Absolutely no pets are allowed in the festival or the campground. Do not leave your pet in your car or tied to your car! If you are traveling with your pet, please arrange to leave them with the local pet boarding & sitting service: Wash-n-Watchdogs - (970) 729-3243 - www.WashnWatchdogs.com

Can I bring my kids?

Please do! Children 11 and under are free, at both the festival and in the campground. The festival is a very kid-friendly event. We provide plenty of entertainment for children in the Rainbow Kids area, located on the festival grounds. Children must be accompanied by an adult at all times.

What are the juke joints?

After the festival ends in Town Park, we continue the music at 10PM on Friday and Saturday night at the "juke joints", located in various venues in Telluride and Mountain Village. If you purchase a juke joint pass it allows you to bounce around to all the juke joints. Be aware, however, that a juke joint pass does not guarantee that you will get into the show of your choice, but it does guarantee that you will get into one of the juke joints – it all depends on the capacity of each venue. As they fill up, we direct you to which juke joints are not full. As the night goes on, the crowds at the juke joints tend to rotate, so even if you can't catch the start of the band you want to see, there's a good chance you can catch the last half of their show. So, if there is one particular band you really want to see, get in line early for the show! Doors open at 9:45PM. The VIP 3 Day Pass includes entry into the juke joints (but not the After Hours Jam on Saturday night or the Fais Do Do show on Sunday night). Doors open at 9:30PM for VIP pass holders.

What is the After Hours Jam/Fais Do Do?

The **After Hours Jam** takes place on Saturday night from 2:00AM – 4:00AM in one of the juke joint venues. Please note that we clear out the venue before the start of the After Hours Jam. A juke joint pass or VIP pass does not include entry into this show. Tickets to the After Hours Jam are only sold at the door.

The **Fais Do Do** (pronounced *fay dough dough*) takes place on Sunday at 10:00PM at the Sheridan Opera House. Call it a closing party . . . tickets for this show are extremely limited and go on sale June 1. A juke joint pass or VIP pass does not include entry into this show.
